

HOW TO FILE A WEEKLY CLAIM ONLINE

GO TO – NEworks.nebraska.gov

Each time you file a weekly claim, you will be asked if you worked. Answer “yes” if you performed any work, even if it was temporary, part-time, or self-employment. If you worked for more than one employer in a week, add your earnings from all employers. For self-employment, report your weekly earnings after you deduct your direct business expenses for that week.

If you earned less than your weekly benefit amount for any claimed week, you may be eligible for partial benefits.
NESL: 48-625.

After you file your initial claim or reopen your existing claim, you must file a weekly claim for benefits each week you are requesting payment, even if your eligibility is being decided or you have an appeal pending.

The unemployment benefit week begins on Sunday and ends on Saturday. You have from Sunday through Friday to file a claim for the previous week.

To file a weekly claim go to neworks.nebraska.gov.

At the top right corner, enter your login information (username and password) and click on **Sign In**.

After signing in, you will arrive at “My Dashboard.” From the left links menu, click on **Unemployment Services**.

Know the Rules – Avoid Overpayments and Don't Commit Fraud

WHAT IS UNEMPLOYMENT INSURANCE FRAUD?

- Making false statements that may alter or increase benefits
- Withholding information that may alter or increase benefits
- Failing to report work in order to obtain or increase benefits
- Failing to report earnings in order to obtain or increase benefits

WHAT ARE THE CONSEQUENCES OF UNEMPLOYMENT INSURANCE FRAUD?

- Repaying benefits received
- 15% penalty based on the amount of the overpayment
- Losing eligibility to receive benefits now and in the future
- Forfeiting state and federal income tax refunds
- Criminal charges, jail time, and felony or misdemeanor prosecution

HOW CAN I AVOID COMMITTING FRAUD?

Report **ALL** earnings and work:

Federal and state law require that you report **ALL** gross earnings before taxes are deducted, including tips, commission, and wages earned from self-employment, while claiming unemployment insurance benefits.

For each calendar week (Sunday through Saturday), you must report **ALL** earnings from any work performed, even if you have not yet been paid.

How do I report earnings correctly?

Keep track of the total hours you work each calendar week, Sunday through Saturday.

Your hourly rate of pay times the total hours worked equals your gross pay, which is the amount you must report. You must report **ALL** earnings for the week that you perform the work not the week you are paid.

WHAT IF I SUSPECT SOMEONE IS COMMITTING FRAUD?

Report fraud anonymously by calling the Nebraska Department of Labor at 402-471-2865 or completing the online form at dol.nebraska.gov.

I have read and understand the information regarding potential fraud penalties

Weekly Claim

For your information:

If you are working during a week you wish to claim, you must report your gross earnings for the week. Gross earnings include wages, tips, salary, and other earnings before deductions and taxes.

You must report wages when they are earned. Do not wait until you are paid. For example, if you are paid an hourly wage of \$15 and worked 10 hours during the week, you must report \$150 in gross earnings on your weekly claim, regardless of when you receive your paycheck.
